Adjournment

*** In light of the CoVid-19 outbreak around the country, and with schools closing, the YMCA, local businesses, etc. it was decided to close the Library as of Monday March 16th. We are still not sure how long this closure will be, but we will remain closed as long as there is a public threat. Libraries are very public places, and we do not want to be responsible for spreading this potentially dangerous virus.*

I will keep you posted on updates as they occur.

Thank you - Robin
