Gidget Palmer, Projects Manager, presented change order #1 on the Water Treatment Plant project to extend the time to 6/16/2023 for final completion. The substantial completion date of 12/27/2022 was met, but the final punch list requires some warmer weather to complete. There will likely be one more change order for a final quantities adjustment. Commissioner Huizenga moved and Commissioner

Barringer seconded to approve change order #1 for the Water Treatment Plant to extend the final completion date to 6/16/2023. Unanimous approval.

Brad Palmer, Utilities Director, presented a request to bid the Highway 34 Water Main Loop Project. The project connects 2 water main lines that run parallel to each other east of town near highway 34. The 2 mains current dead end, so any work on either requires loss of service to customers. The loop would allow for back feed and redundancy during repair or maintenance work. Commissioner Barringer moved and Commissioner Todd Johnson seconded to approve the request to bid the Highway 34 Water Main Loop Project. Unanimous approval.

Commissioner Huizenga moved and Commissioner Vona Johnson seconded to adjourn. 5:43 pm. Unanimous approval.

Twila Hoffrogge, Finance Officer
