

City of Pierre Arbor Board Notes
June 25, 2019

There was not a quorum for the meeting so general notes are offered on the discussion.

Old Business

The tree planting guide brochure is done and was handed out. All were pleased. Final copies will be delivered to City hall by JC printers. Tom will work with Brooke on roll out plan. July 9 is the target date to unveil at the City Commission meeting with Chair Art Smith presenting information.

The City hall property landscaping plan was discussed, Art is following up with email to the committee and offer again to have his staff work with the committee. Thomas Moore will be the staff contact for the City. This again is a fall planting.

Thomas Moore and Farnsworth gave an update on maintenance work at the City arboretum. Split rail fence is to be fixed, mowing and trimming and Moore gave his plan/strategy to improve the area that was set aside for wild flowers, etc.

New Business

A general discussion was held on DE tree detection going into the future, staff are trained to diagnose and mark trees, this again will be a fall procedure with removal as schedule allows. Several trees are being noticed in the City.

Moore gave a report on general tree maintenance work that staff had been doing at the sports complex and other public property.

The next meeting of the board will be July 23rd at Noon.
