ATTEST: Twila Hight, Finance Officer

Twila Hight, Finance Officer, presented a request to surplus a 2013 Volvo Excavator (210258) from the Water Department. They purchased a new one earlier in the year and this one can now be sold. Commissioner Barringer moved and Commissioner Mehlhaff seconded to approve the request to surplus the 2013 Volvo Excavator as presented. Unanimous approval.

Jason Jones, Police Chief, and Cindy Gross, Emergency Services Supervisor, presented a request to purchase new console workstations for the City's Joint Emergency Services Center. The old workstations were a combination of items from the City's old dispatch center and the State Radio center. The re-design has been looked at in recent months, becoming an increased priority in light of COVID-19. The current work stations do not meet the CDC Guidelines of 6' apart and staff work in close proximity to each other in the enclosed office space for up to 12 hour shifts. The City feels the costs to meet the CDC recommendations are eligible for CARES Grant Funds, as this is a critical service that needs to remain operational at all times. A temporary closure or working remotely is not an option, due to the 24 hour 911 call operations and technology that sends those calls to this one location. Commissioner Mehlhaff moved and Commissioner Huizenga seconded to approve the request to purchase Dispatch Workstation remodel for \$140,654.55 under the HGACBuy Contract. Unanimous approval.

2021 Budget presentations were provided by Capital City Band, Missouri Shores, Pierre Economic Development Corporation, and River Cities Public Transit.

Commissioner Barringer moved and Commissioner Huizenga seconded to adjourn. 6:45pm Unanimous approval.
