Statutory reference: SDCL 9-45-2, street names and numbering of houses.

Section 6-1-105 Frontage numbering in business district. (REPEALED)

Source: R.O. Pierre, 1957, 13.0104; Rev. of Ord., 1990.

Statutory reference: SDCL 9-45-2, street names and numbering of houses.

Section 6-1-106 Frontage numbers in residential district. (REPEALED)

Source: R.O. Pierre, 1957, 13.0105; Rev. of Ord., 1990.

Statutory reference: SDCL 9-45-2, street names and numbering of houses.

Section 6-1-107 Numbering scheme on streets.

On all streets the numbers shall run in consecutive order alternating from one side of the street to the other. The odd numbers shall be on the south side of east and west streets and on the west side of north and south streets. The numbers shall run one hundred to each block or distance between two street intersections on the same street. Where the streets intersect but do not cross, the numbers shall run to a street intersecting on both sides of the street being numbered. The respective blocks located upon the streets which do not intersect the base lines shall bear the hundred number of the corresponding number

of the corresponding block nearest the same location on the nearest street extending in the same direction which does not intersect the base lines.

Statutory reference: SDCL 9-45-2, street names and numbering of houses.

Section 6-1-108 Numbers required on buildings.

All buildings erected or fronting on any street, avenue, place or alley shall have a number conspicuously placed thereon as provided by this chapter.

Source: R.O. Pierre, 1957, 13.0108.

Statutory Reference: SDCL 9-45-2, street names and numbering of houses.

Section 6-1-109 Type of numbers required on buildings.

The number plate placed upon any building shall be not less than three inches in height so as to be easily seen from the street. The city will furnish number plates together with holders at the expense of the property owners.

Source: R.O. Pierre, 1957, 13.0109; Rev. of Ord., 1990.

Statutory reference: SDCL 9-45-2, street names and numbering of houses.

Section 6-1-110 Unlawful to tamper with numbers on buildings.

It shall be unlawful for any person to remove, alter or deface any number assigned and placed as aforesaid or to retain an improper number or to substitute and display any number other than the one given by virtue of the preceding sections.

Statutory reference: SDCL 9-45-2, street names and numbering of houses.

Section 6-1-111 Failure to place number on building - cost assessed against owner or lessee of the property.

If the owner or lessee of any building shall fail or refuse to place a number or replace a number when necessary, the commission may cause a notice to be personally served or served by registered mail on the owner or lessee to the last known address ordering him to place or replace the number. In case of

failure to comply with such notice within ten days from date of service, the commission shall cause the same to be done and assess the cost thereof against the owner of the property numbered.
