PIERRE MUNICIPAL UTILITIES

Pierre Municipal Utilities is a public service institution that does not serve stockholders. Our mission is to serve our customers.

Our residential customers pay electricity rates that average about 13 percent less than those paid by investor-owned utility customers. We lower costs through partnerships with local government departments and other service organizations.

If you have questions about your utility bill, call City Hall at 605.773.7407 or visit www.cityofpierre.org.
