Section 9-1-101 Definitions.

Whenever in this chapter the following terms are used, they shall have the meanings respectively ascribed to them in this section.

1 "Alley" shall mean every highway, roadway, street or alley set apart for public travel except for footpaths.

2. "Authorized Emergency Vehicles" shall mean such police vehicles, fire department vehicles, and ambulances as are publicly owned, and such other publicly or privately owned vehicles as are designated by the commission in accordance with the requirements of this chapter.

3. "Bicycle" shall mean every vehicle propelled solely by human power upon which any person may ride, except scooters and similar devices.

4. "Boulevard" shall mean the area of right of way between curb and sidewalk.
5. "Bus" shall mean every motor vehicle designed for carrying more than ten (10) passengers and used for the transportation of persons; and every motor vehicle, other than taxicab, designed and used for the transportation of persons for compensation.

6. "Business District" shall mean the territory contiguous to a highway when fifty percent or more of the frontage thereon for a distance of three hundred feet or more is occupied by buildings used for business.

7. "City" shall mean the City of Pierre.

8. “Collector Street” shall mean a street intended to provide land access and traffic circulation within residential neighborhoods, commercial and industrial areas, and to collect traffic from local streets and channel it into the arterial system.

9. "Commissioner" shall mean the commissioner of police and fire of the City of Pierre.

10. "Corporate Limits" shall mean the city limits and legal boundaries as described in 2-1-101.

11. "Crosswalk" shall mean (a) that portion of a roadway included within the connections of the lateral lines of the sidewalks on opposite sides of the highway measured from the curbs or, in the absence of curbs, from the edges of the traversable road; and in the absence of a sidewalk on one side of the roadway, that part of the roadway included within the extension of the lateral lines of the existing sidewalk at right angles to the center line; or (b) any portion of a roadway at an intersection or elsewhere distinctly indicated for pedestrian crossing by lines or other markings on the surface of the roadway.

12. "Department" shall mean the police department of the City of Pierre.

13. "Drag Race" shall mean the operation of two or more vehicles from a point side by side at accelerating speeds in a competitive attempt to outdistance each other, or the operation of one or more vehicles over a common selected course, from the same point to the same point, for the purpose of comparing the relative speeds or power of acceleration of such vehicle or vehicles within a certain distance or time limit.

14. "Driver" shall mean every person who drives, operates or is in actual physical control of a vehicle.

15. "Driver's License or Permit" shall mean any license or permit to operate a vehicle issued or recognized by the State of South Dakota.

16. "Driveway" shall mean every way or place in private ownership and used for vehicular travel by the owner and those having express or implied permission from the owner, but not by other persons.

17. "Equipment or Devices" include but are not limited to: seat belts and attachments; safety harnesses and attachments; child restraint and seating devices and attachments; flares, headlights, auxiliary driving lamps, rear lamps, spotlights, identification lamps, clearance lamps, signal lamps, and all other lighting devices; brake fluid, brake hoses, brake linings, and other brake systems and equipment; eye protective devices and motorcycle helmets for motorcycle operators; safety glass or safety glazing in all partitions,
doors, windows, windshields, or wind deflectors; windshield wipers, rear vision mirrors; horns; trailer hitches; driver's license; and license plates.

18. "Highway" shall mean every highway, roadway, street or alley set apart for public travel except for footpaths.

19. "Intersection" shall mean (a) the area embraced within the prolongation or connection of the lateral curb lines or, if none, then the lateral boundary lines of the roadway of two highways which join one another at or approximately at, right angles, or the area within which vehicles traveling upon different highways joining at any other angle may come in conflict; (b) where a highway includes two roadways thirty (30) feet or more apart, then every crossing of two roadways of such highways shall be regarded as a separate intersection; (c) the junction of an alley with a street or highway shall not constitute an intersection.

20. "Laned Roadway" shall mean a roadway that is divided into two or more clearly marked lanes for vehicular traffic.

21. “Local Through Street” shall mean a street intended to provide access to other local streets, to provide access to collector and arterial streets, and which offers the lowest level of traffic mobility.

22. "Manual on Uniform Traffic Control Devices" shall mean that publication by the U.S. Department of Transportation governing traffic control devices.

23. “Minor Arterial Street” shall mean a minor traffic artery that interconnects with and enhances the principal arterial streets and provides trips of moderate length, with a somewhat lower level of travel mobility than principal arterial streets.

24. "Moped" shall mean a motor driven cycle equipped with two or three wheels. If a combustion engine is used, the maximum piston or rotor displacement shall be fifty cubic centimeters regardless of the number of chambers in such power source. The power source shall be equipped with a power drive system that functions directly or automatically only, not requiring clutching or shifting by the operator after the drive system is engaged.

25. "Motorcycle" shall mean every motor vehicle having a seat or saddle for the use of the rider and designed to travel on not more than three wheels that contact with the ground, but excluding a tractor.

26. "Motor Vehicle" shall mean every vehicle, as herein defined, which is self-propelled.

27. "Municipality" shall mean the City of Pierre.

26. "Occupant" shall mean person who lives or resides on any property.

28. "Official Traffic Signs" shall mean all signs and markings, other than signals, not inconsistent with this title, placed or erected by a public body or official having jurisdiction, for the purpose of guiding, directing, warning, or regulating traffic.
29. "Operator" shall mean and include every individual who is in actual physical control of a vehicle as the owner thereof or as the agent, employee or permittee of the owner.

30. "Park or Parking" shall mean the standing of a vehicle, whether occupied or not, other than temporarily for the purpose of and while actually engaged in loading or unloading property or passengers.

31. "Pedestrian" shall mean any person afoot.

32. "Person" shall mean every natural person, firm, partnership, association, or corporation.

33. "Police Officer" shall mean every officer of the municipal police department or any officer authorized to direct or regulate traffic or to make arrests for violations of traffic regulations.

34. "Police Department" shall mean the Police Department for the City of Pierre.

35. “Principal Arterial Street” shall mean a principal traffic artery, more or less continuous across the city, which acts as a principal connecting street with state and federal highways and which serves major activity centers, provides the longest trips and the highest traffic volume over a minimum of mileage.

36. "Private Property" shall mean and include any and all real property or land within the City of Pierre which has not been opened or dedicated for public use or as a public thoroughfare.

37. "Private Road" shall mean every way or place in private ownership used for vehicular travel by the owner and those having express or implied permission by the owner, but not by other persons.

38. "Racing" shall mean the use of one or more vehicles in an attempt to out-gain, outdistance, or prevent another vehicle from passing, to arrive at a given destination ahead of another vehicle or vehicles, or to test the physical stamina or endurance of drivers over long distance driving routes.

39. "Railroad" shall mean a carrier of persons or property upon cars (other than street cars) operated upon stationary rails.

40. "Residential District" shall mean the territory contiguous to and including a highway not comprising a business district when the frontage of such highway for a distance of three hundred feet or more is in the main improved with residences or residences and buildings not in use for business.

41. "Revocation" shall mean the termination by formal action of the Department of Public Safety or the court of a person's license or privilege to operate a motor vehicle on the highways.

42. "Right-of-Way" shall mean the right of one vehicle or pedestrian to proceed in a lawful manner in preference to another vehicle or pedestrian approaching under such circumstances of direction, speed and proximity as to give rise to danger of collision.

43. "Roadway" shall mean that portion of the street or highway between the regularly established curb lines or that part devoted to vehicular traffic.
44. "Safety Zone" shall mean the area or space officially set aside within a highway for the exclusive use of pedestrians and which is so plainly marked or indicated by the proper signs as to be plainly visible at all times while set apart as a safety zone.

45. "School Bus" shall mean every motor vehicle that complies with the color and identification requirements set forth by the South Dakota Codified Laws and is used to transport children to or from school or in connection with school activities, but not including buses operated by common carriers and urban transportation of school children.

46. "Sidewalk" shall mean that portion of a street between the curb lines, or the lateral lines of the roadway, and the adjacent property lines, intended for use by pedestrians.

47. "Snowmobile" shall mean any engine-driven vehicle of a type which utilizes sled type runners, wheels, or skis with an endless belt treat or similar means of contact with the surface upon which it is operated.

48. "State" shall mean the State of South Dakota.

49. "Stop or Stopping," when prohibited, shall mean any halting, even momentarily of a vehicle, whether occupied or not, except when necessary to avoid conflict with other traffic or in compliance with the directions of a police officer or traffic control sign or signal.

50. "Street" shall mean every highway, roadway, street or alley set apart for public travel except footpaths.

51. "Suspension" shall mean the temporary withdrawal by formal action of the Department of Public Safety or the court of a person's license or privilege to operate a motor vehicle on the public highways, which temporary withdrawal shall be for a period specifically designated by the Department of Public Safety or the court.

52. "Tires" shall mean all tires inflated with compressed air.

53. "Traffic" shall mean pedestrians, ridden or herded animals, vehicles, streetcars and other conveyances either singly or together while using any street or highway for the purpose of travel.

54. "Traffic Control Devices" shall mean all signs, signals, markings, and devices not inconsistent with this chapter, placed or erected by the authority of a public body or official having jurisdiction, for the purpose of regulating, warning or guiding traffic.

55. "Traffic Control Signal" shall mean any device using colored lights or words or any combination thereof, whether manually, electrically or mechanically operated by which traffic is alternately directed to stop and to proceed.

56. "Trailer" shall mean every vehicle with or without motive power designated for carrying persons or property wholly on its own structure and being drawn by a motor vehicle.
57. "Vehicle" shall mean every device in, upon, or by which any person or property is or may be transported or drawn upon any street or highway, excepting devices used exclusively upon stationary rails or tracks.

Section 9-1-102  Authority of the Commission.

The Commission is hereby authorized to place and maintain or cause to be placed and maintained at any location in the City of Pierre any traffic control device where in their discretion conditions justify such action. Appropriate traffic control devices shall be located in a manner in conformance with the Manual of Uniform Traffic Control Devices.

Section 9-1-104  Powers and duties of the police.

It shall be the duty of the police department of this city to enforce all City Ordinances. Officers of the police department are hereby authorized to direct all traffic either in person or by means of visible or audible signals in conformance with the provisions of this chapter. In the event of a fire or other emergency or to expedite traffic or safeguard pedestrians, officers of the police or fire department may direct traffic, as conditions may require, notwithstanding the provisions of this chapter.

Statutory reference: SDCL 9-29-19, powers of policemen - service of process - arrest; and, SDCL 9-30-4, traffic in public places.
Section 9-1-105  Adoption and enforcement of emergency and special regulations.

The commissioner of police and fire is hereby empowered to make and enforce regulations necessary to make effective the provisions of this chapter and to make temporary regulations to cover emergencies or special conditions provided any such regulations are not inconsistent with the provisions of this chapter.

Section 9-1-106  Application of this chapter to emergency vehicles.

The provisions of this chapter shall apply to the operator of any authorized emergency vehicle and it shall be unlawful for any such operator to violate any law except as otherwise permitted.

The provisions of this chapter regulating the movement, parking and standing of vehicles shall not apply to authorized emergency vehicles, as defined, when the operator of such vehicle is operating the same in an emergency or in the necessary performance of public duties. This exemption shall not, however, protect the driver of any such vehicle from the consequences of reckless disregard for the safety of others.

Section 9-1-107  Applications of this chapter to pushcarts, bicycles, motorcycles, mopeds, and animals - exceptions.

Any person propelling a pushcart, bicycle, moped, motorcycle, animal, animal-drawn vehicle or any conveyance in the city shall be subject to the provisions of this chapter applicable to the operator of the vehicle, except those provisions with reference to equipment of vehicles and which by their nature can have no application.

Section 9-1-108  Duty of police to investigate accidents.

Immediately upon the report of any accident, officers of the police department shall have the duty of investigating such accident in accordance with the policy set by the Chief of Police. Any report filed shall be kept on file and available for inspection by the parties or their duly authorized representatives.
Section 9-1-109  Arrest or summons on probable cause during accident investigations.

An officer of the police department during an investigation of a traffic accident may, based on probable cause, may issue a summons to any person involved in the accident for the violation of any City Ordinance or state law, that occurred prior to, during, or after the accident.

Source: Rev. of Ord., 1990.

Section 9-1-110  Failure to report an accident.

The operator or owner of any vehicle involved in an accident resulting in injuries or death to any person or property damage to an apparent extent of $50.00 or more, shall immediately by the quickest means of communication give notice of such accident to the nearest available peace officer.

The operator of any vehicle which collides with any dog, cat or any domestic animal shall stop and attempt to ascertain the owner of such animal and shall notify the police department immediately by the quickest means of communication.

Section 9-1-111  Leaving the scene of an accident.

The operator or owner of any vehicle involved in an accident resulting in injury or death to any person or damage to property shall immediately stop such vehicle at the scene of such accident and shall give his name and address to the person struck or to the driver or occupants of any vehicle involved or to the owner of any property damaged and shall render to any person injured in such accident reasonable assistance,

Section 9-1-112  Duty of garage or repair shop to report evidence of accident or bullet hole.

The person in charge of any garage or repair shop to which is brought any motor vehicle which shows evidence of having been involved in an accident with damage exceeding the minimum city reporting requirements or struck by any bullet shall report the same to the police headquarters of this city immediately, unless the owner or operator has in their possession proof that the accident has been investigated by the police or other law enforcement agency, giving the name and address of the owner or operator and license plate number of such vehicle.
Section 9-1-113  License plate prima facie presumption of operation of vehicle by registered owner.

In any proceeding for violations of the provisions of this chapter relating to the operation or parking of motor vehicles, the registration plate displayed on such motor vehicle shall constitute in evidence a prima facie presumption that the owner of such motor vehicle was the person who was operating or having control of such motor vehicle at the time when such violation occurred or was responsible for the parking of such motor vehicle at the point where such violation occurred.

Section 9-1-114  Police authorized to remove vehicles in violation of this chapter - payment of costs of removal.

Any vehicle parked or allowed to remain in violation of any of the provisions of this chapter may be removed or caused to be removed by the police department of the city and towed to an area designated by the police department.

Any towing and storage charges resulting from removal of a vehicle shall be paid by the owner or person parking such vehicle in addition to the fine and other penalties prescribed.

Section 9-1-115  Designation of streets.

The following named streets together with federal and state highways located within the city are hereby declared and designated as principal arterials, minor arterials, collectors or local through streets according to the Functional Classification System for routes within the City of Pierre.
