**Section 12-4-102** Statement of purpose for Agricultural District.

The Agricultural District is designed to provide an environment where agriculture can operate compatibly with a greater density of population than normally found in farming areas.

**Section 12-4-103** Principal permitted uses.

The following uses are permitted as the principal permitted use of any parcel of property in the Agricultural District.

1. Agriculture, including the raising of field crops, horticulture, animal husbandry under performance conditions, poultry farms and kennels under performance conditions. Commercial animal feed lots shall not be allowed in this district.

2. Ranch and farm dwellings and normal farm and ranch buildings.

4. Riding academies, dude ranches and other farm and ranch type recreational enterprises, golf
courses, country clubs, fair grounds, and rodeo grounds but not including automotive race tracks or driving tracks, outdoor theaters and similar commercial recreational enterprises.

5. Recreational facilities owned or operated by government or by charitable or religious organizations.

6. Churches, schools, colleges, office buildings wholly occupied by governmental agencies, and similar facilities.

7. Facilities necessary for the provision of transportation, communication, water sewerage, electrical energy, and natural gas pipelines and their appurtenances, are permitted, subject to approval by the city inspector, and further subject to such conditions, restrictions and safeguards as may be considered necessary by said inspector.

**Amended:** Ord. 1224, 1988.

**Section 12-4-104 Accessory uses.**

The following uses are permitted as accessory to the principal permitted uses in the Agricultural District.

1. Facilities common to farm and ranch activities.

2. Living quarters for persons regularly employed on premises, but not including labor camps or dwellings for transient labor.

**Source:** Ord. No. 1451, 1999. (Reference Section 12-14-101 to 199.)

**Section 12-4-105 Space limitations.**

The following space limitations shall apply to structures and buildings associated with each principal permitted use and each accessory use, except fences and signs:

**Building Height Limit.**

No building shall exceed two and one-half (2 1/2) stories, or thirty-five (35) ft. in height.

**Required Lot Area**

Not less than Forty Thousand (40,000) square feet and at least one continuous lot dimension of Two-Hundred (200) feet.
**Percentage of Lot Coverage.**

All buildings including accessory buildings shall not cover more than twenty-five (25) per cent of the area of the lot.

**Yards Required**

Each lot shall have front, side and rear yards not less than the depths or widths following:

1. Front Yard Depth: Thirty-Five (35) feet.
2. Rear Yard Depth: Fifty (50) feet.
3. Side Yard Width: Fifteen (15) feet on each side of the building.

**Section 12-4-106 Performance standards.**

The following performance standards shall apply to the uses indicated. They shall be supplemental to and in addition to other provisions applying to the property:

1. Corrals, in which animals are kept at a density of over ten head per acre or where feed bunkers or water are placed so that animals naturally tend to bunch-up, shall not be closer than 300 feet from any lot line adjoining properties which are used for residential, commercial or light manufacturing purposes.

2. Such corrals shall maintain drainage so as to avoid excessive concentration of contaminated water and such drainage shall be so arranged that contaminated water does not drain into water courses in such a manner that it reaches neighboring properties at a concentration noticeable to normal senses.

3. Manure in such corrals shall not be allowed to accumulate to objectionable proportions and each feeding pen shall be scraped once a month, weather permitting.

4. Adequate fly spray shall be applied to all corral areas during fly season and oftener if necessary to control the fly population.

5. All dead animals shall be removed within 24 hours.

6. Feed shall be limited to fresh materials and shall not include sour silage, sugar beet pulp, paunch manure, garbage, or other materials which may have a tendency to create objectionable odors.

7. Kennels containing more than three dogs over six months of age, and poultry houses shall be
placed no closer than 200 feet from the lot line when adjoining property is used for residential, motel, hotel or cabin resort purposes.

8. Parking and loading spaces sufficient to meet all reasonable demands for such space shall be provided off the public right-of-way.

Section 12-4-107  Conditional Uses.

1. Sanitary landfills operated by the City of Pierre are permitted in Agricultural District after approval by the City commission that their mode of conduct and location will not hinder the enjoyment and use of nearby properties and will not disrupt the appropriate use of land and resources of the City.

2. Cemeteries, crematories, mausoleums.
