Section 12-5-101 to 199, inclusive. Uses common to all residential districts - general provisions.

Section 12-5-101. General statement concerning uses common to all residential districts.
There are certain uses that are considered acceptable when found in any residential district when developed according to space limits proper for a particular zone.

The uses set forth in Sections 12-5-102 to 106, inclusive are permitted in all residential districts subject to further restrictions or liberalizations imposed by a specific district.

**Section 12-5-102  Principal permitted uses.**

1. Off-street parking shall be provided for all uses established in the residential districts.

2. Only one building for living purposes shall be permitted on one zoning lot, except as otherwise provided herein.

4. Public, parochial and private schools and colleges offering courses of general instruction when located on sites of at least 5 acres, and including convents, monasteries, dormitories and other related living structures when located on the same site as the church.

5. Churches, synagogues, chapels and similar places of religious worship and instruction of a quiet nature when located in a substantial structure.

6. Crop and tree farming but not including the raising of animals or fowl for commercial purposes, or the sale of any products at retail on the premises.

7. Parks and recreation areas operated by the city or other political subdivision.

9. Country clubs as defined herein.

**Section 12-5-103  Accessory Uses.**

The following accessory uses are permitted in all residential districts subject to further restrictions or liberalizations imposed by a specific district.

1. Private garages and private parking areas.

2. Private swimming pools exclusively for the use of residents of the premises and their non-paying guests and subject to any other regulations or ordinances of the City.

3. The parking of one (1) unoccupied trailer designed for recreational use and not to exceed 35 feet in length or one (1) self propelled Recreational Vehicle not to exceed 35 feet in length, within a building, or in the open in a rear yard, or in the open in a side yard twelve (12) feet or
more in width, but subject to any permits required by law or ordinance.

4. The storage of one pleasure boat within a building, or in the open in the rear or side yard.

5. Other accessory uses and structures customarily appurtenant to a permitted use.

Section 12-5-104  Conditional uses.

The following uses are conditionally permitted in all residential districts.

1. Utility substations when located according to the yard space rules set forth for dwellings and having a landscaped or a masonry barrier on all sides, and after a showing before the city commission that technical considerations necessary to the functioning of said utility requires the location of the facility in a residential district. Structures shall conform with all space limits of the district in which located and shall have an exterior design in harmony with nearby properties.

2. Railroad through and spur tracks, but no sidings or other terminal type facilities and no service, repair, or administrative facilities, and after a showing before the City Commission that such facilities are necessary in the location proposed.

Section 12-5-105  Front yard depth - exceptions.

In any residence district each dwelling hereafter erected shall have a front yard equal in depth to the average depth of the front yards of the lots immediately adjacent but no front yard shall be less than fifteen (15) feet unless allowed by the Board of Adjustment.

Section 12-5-106  Side yard depth on corner lots.

On every corner lot in a residential district there shall be provided on the adjacent streets a minimum front yard of 25 ft. and a minimum side yard of 20 ft. with the remaining yards to be a minimum of 25 ft. and 6 ft.

Section 12-5-107  Requirement for conforming one-family and two-family dwellings to the regulations of their respective districts.

All one-family or two-family dwellings shall conform to all regulations of their respective districts or the regulations in the district they are placed if they are more restrictive.
