

COMMUNITY GARDEN NOTICE

The health and safety of our citizens is the City's highest priority. To reduce risk of COVID-19 infection while using this facility, effective April 8, 2020, we have implemented the following practices. They are subject to change. We request full compliance from our users.

COVID-19 RULES

- Use gloves when opening / closing gate
- Use gloves when turning water on / off
- Practice social distancing at all times; stay 6 ft. apart
- Don't use garden when symptomatic
- Follow CDC personal hygiene guidelines prior to and during use of the garden.
- Leave this garden as clean as you found it
- Be respectful of others
