RECYCLING, TREE & YARDWASTE BIN ACCESS

City recycling, tree, and yard waste drop-off bins are located behind the gate at Pierre's Solid Waste Facility.

City of Pierre residential utility customers can access the bins at any time for no cost with a city-issued access card. To obtain an access card, call 605.773.7434.

Anyone without an access card must pay \$3.50 per load.

Recycling bins can be used for the following materials.

- Aluminum
- Computer and office paper
- Corrugated cardboard

OTHER RECYCLING OPPORTUNITIES

Various electronic items can be recycled for a fee. For no fee, usable paint and household cleaning supplies in their original containers can be dropped at the Solid Waste Facility during normal operating hours. For more information, call 605.773.7434 or visit cityofpierre.org.

RUBBLE & CONSTRUCTION DEBRIS DISPOSAL

Cash customers must go across the scale at the Solid Waste Facility before disposing materials at the landfill.

Large rubble & construction debris may be disposed at the Regional Landfill located approximately 13 miles outside of Pierre. Small loads can be dumped at the Solid Waste Facility.

Loads must be covered and secured or a \$100 fee will be assessed in addition to the tipping

CITY SOLID WASTE COLLECTION

The City of Pierre offers residential garbage collection. Customers are charged by the bag, and only garbage bags purchased through the City can be used.

Solid waste bags can be purchased at City Hall (2301 Patron Parkway) or at the Solid Waste Facility.

- 25 bags = \$60.00 (including tax)
- 10 bags = \$28.00 (including tax)

City solid waste collection is on Tuesdays & Thursdays. Bags should be left curbside for pickup. Staff will pull bags out of containers upon request. If your collection day falls on a holiday, trash will be collected on Wednesday.

Bags can also be brought to the Solid Waste Facility for no additional fee. For more information, call 605.773.7434.
