

## Meet **Apollo** by Biblionix Your On-Line Account

Your Rawlins Municipal Library Catalog has conveniences and powerful ways for you to access information. The on-line catalog is available for your use from any Internet capable device in the *library, at home, or anywhere*. There are two primary capabilities: Searching for a book, a DVD, or etc, and managing your library account. This document covers instructions and tips on how to get the most out of your library account. If you need help, please don't hesitate to ask a staff member for assistance.

### Overview:

The catalog maintains an account for each [member](#). Many features and functions are available including:

- view items checked out and their status
- renew items
- reserve items
- [reserve authors](#)
- balance due (and payable on-line)
- delay your reserves so you won't miss your turn
- designate how you wish to be contacted
- [see your history of checked out items \(optional\)](#)

Let's take a quick tour of your "My Account".

### Logging In:

To log-in to your account, enter your "Card Number" and [phone number or password](#) in to the fields in the upper right corner of the catalog welcome/search page. [Enter your phone number](#) (with or without the dash). If it has the same area code as the library, you may not need to enter it. Select the 'Log In' button.

## Items Out, Renewals

This next section shows all items currently checked out to your account. You’ll see the title, due date, etc. If a renewed button is shown to the right of the due date, you can just click on it to renew the item. The item might show “Not Renewable”. This might be for several reasons: If it is reserved by someone else, or that type of item (e.g. DVD) is not renewable, or you have fines over the limit, or your card has expired.

## Reserves/Requests

Title	Author	Reserved	Status	Contact	Place	Copies
Step by step to perfect gardening	Davidson, Max	5-21-2016	Ready for pickup! through 5/26	413-0735 (Cell)	#1	1
The Chase	Evanovich, Janet	5-9-2016	Not ready	413-0735 (Cell)	#2	1

This section lists any reserves you have placed, and it typically notes your place on the reserve waiting list. It also shows how you elected to be notified. The “Copies” column indicates how many copies the library has of that title. Note that you can cancel the reservation on items that are not ready.

[Have Some Favorite Authors?](#) – Click the “[receive new books](#)” link and a list of popular authors will appear. Select your favorite(s) from the list and a reserve will automatically be placed for you when any new titles arrive at the library.

[Going Out of Town?](#) – You can avoid losing your place in any reserve line by indicating when you will not be available. If your turn comes up during any of these times, you simply move one place down in line. You’ll get that favorite item you’ve been waiting for without going to the end of the line. To indicate when you’re unavailable, click “[defer](#)” and you’ll see a calendar pop-up. Click on any date to mark it is unavailable. It will turn blue. Click again to mark it as available. It will return to white. You can move to different months as necessary with the arrows at the top left and right. You can also click/hold across days or weeks to mark a date range.

[Is The Library Missing Something?](#) Place a request for an item here and this will inform the library staff of your request.

## Bookmarks

Location	Title	Author	Bookmarked	In	Total	
	OverDrive Periodicals: Fine Gardening	Taunton Trade Co	12-23-2015	0	0	Remove
645 GAR 635 GAR	Texas gardening the natural way: the complete handbook	Garrett, Howard (1947-)	5-18-2016	2	2	Remove

The bookmark section is for your convenience. The library does nothing with your list. This feature could be very useful when doing research and a bibliographic reference will be needed. You may wish to use bookmarks as a reminder of things you want to read in the future or have read in the past. When you are logged in to the Public Catalog, and view individual records, you can simply click the “[Bookmark This Item](#)” button. To remove a bookmark, click the “[Remove](#)” button found at the end of a book-marked title in your account.

## History

Depending on your library's configuration choices as well as your own, you can see what you have checked out in the past (this listing does not currently include e-items). Check with your library if you want to change your option for this.

You can search this list by using Ctrl-F in your browser (or similar 'search' option on a phone or tablet). Also, you can export the whole list as an Excel spreadsheet.

The screenshot shows the 'My Library Account' page with a navigation menu and a history table. The navigation menu includes: Account Info, Notifications, Items Out / Renewals, Reserves / Requests, Bookmarks, and History. Below the menu, it says 'Welcome, Robert Walker!' with a link '(not you? Click here)'. There is an option to 'Export complete history:' with a dropdown menu set to 'Excel Spreadsheet' and a 'Download' button. The history table has columns: Title, Author, Out, Due, and Returned.
