

# BATTERY RECYCLING

The City of Pierre Solid Waste Facility now accepts alkaline batteries, as well as rechargeable lithium batteries. No batteries over 300W are accepted. There are no drop-off fees.

Recyclables can be delivered to 2800 E. Park during normal operating hours. For additional information, visit [CityofPierre.org](http://CityofPierre.org) or call 605.773.7434.
